

March 2026

To Our Valued Customers:

We hope this letter finds you well. As we move into 2026, we want to express our sincere appreciation for your continued partnership. 2025 presented many challenges, and we are grateful for your trust and support throughout the year.

Over the past several months, we have seen significant changes in the trucking industry, including rising operating costs and increased regulatory requirements. These factors have made it increasingly difficult to maintain our service levels without adjusting to market demands.

To ensure we can continue providing the high level of service you expect from us, we find it necessary to implement an adjustment to our trucking rates with a minimum increase of 5%, effective Monday, April 27, 2026. This change will allow us to continue delivering reliable and secure shipments while adapting to the evolving landscape of the transportation sector.

We understand the importance of cost predictability in your business, and we want to assure you that this decision was made after careful consideration. We remain committed to offering competitive rates and exceptional service to meet your transportation needs. Thank you for your understanding and continued partnership. We value your business and look forward to many more years of working together.

Sincerely,

Ryan Connor | Accelerated Inc. | Vice President | Cell: 629-333-8554
