TSA fee increase

Dear Valued Partner,
As part of our ongoing commitment to maintaining the highest levels of security, compliance, and service throughout our network, Accelerated will be adjusting our TSA Security Fee from $1.50 to $2.00 per shipment, effective June 24, 2026.

This adjustment is necessary to help offset the increasing costs associated with TSA compliance requirements, including driver vetting, security training, credential management, and ongoing regulatory obligations required to support the secure transportation of air cargo.

We remain committed to providing the reliable, TSA-compliant service you expect from Accelerated while continuing to invest in the people, processes, and technology that protect your cargo and support the industry's security standards.

We appreciate your partnership and understanding. If you have any questions regarding this adjustment, please contact your Accelerated representative.

Thank you for your continued business and support.

Sincerely,

Ryan Connor| Accelerated Inc. | Vice President | Cell: 629-333-8554
